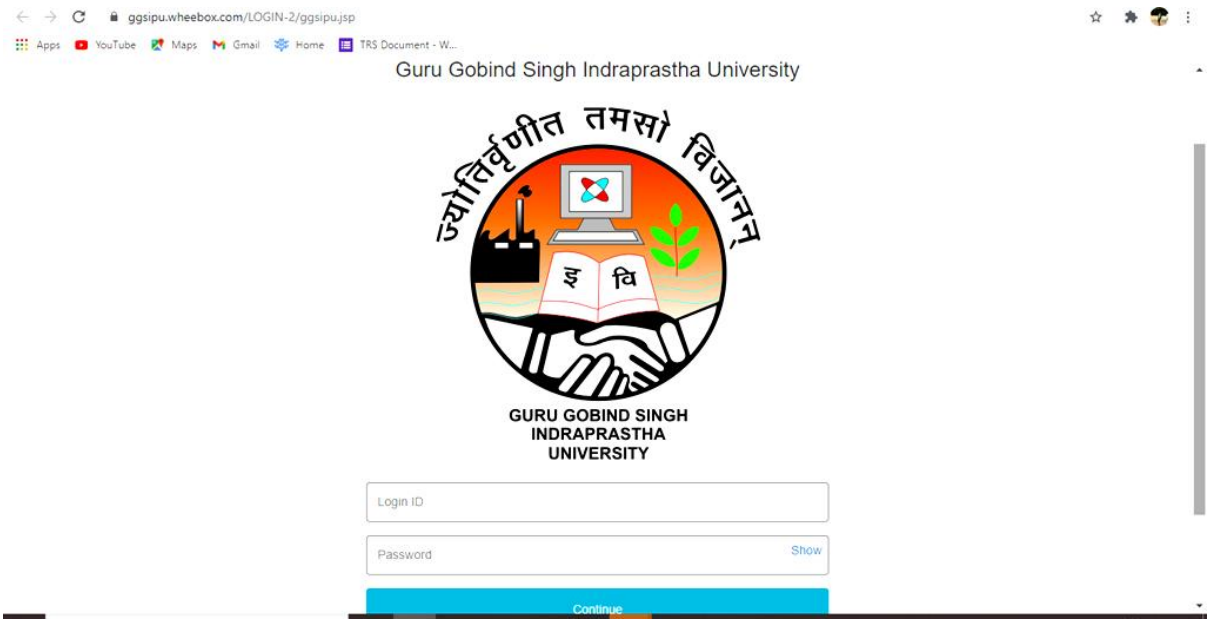
STEPS FOR TAKING EXAMINATION ONLINE

STEP 1- Login with the URL- https://ggsipu.wheebox.com/LOGIN-2/ggsipu.jsp Put in your enrolment number as Login ID and Password.



STEP 2- Once Logged in the Examination Registration Form will open up, some fields will be pre- filled, candidate need to provide the contact number and email ID and check on the papers appearing.

STEP 3- Candidate will receive an email from support@wheebox.com which will contain the new credentials. Please ensure to check junk and spam folder incase you have not received the email.

STEP 4- Using the same URL put in the login details received on mail. Candidate now needs to train their face and follow the steps and instructions as mentioned.

STEP 5- Once successfully trained they can print the registration form with all the details filled by the student.

STEP 6- Re-login (with the login details received on mail) to take your exams and Mock test.

NOTE-

Once you have submitted the registration form you cannot edit it again.

Once face is trained it cannot be retrained again.
