

# **Dr. Akhilesh Das Gupta Institute of Technology and Management**

## **MBA DEPARTMENT**

**TITLE: Workshop on Correlational & Regression Analysis on PSPP & Excel**

**Date:** 28<sup>th</sup> April, 2022

**Department:** Management Department

**Venue:** Online Platform (Zoom Meeting)

**Objectives:** To help the students understand the software and do proper implementation in Data entry for research work.

**Delegates/ Speaker:** Dr. Swati Khanna, Ph.D. (Finance), NET Qualified in Management and MBA (Finance)

**Activities undertaken:** Management Department of ADGITM organized a workshop on **Correlational & Regression Analysis on PSPP & Excel by Dr. Swati Khanna.** Dr. Swati Khanna is an Assistant Professor in the area of finance and Accounting. An experienced Management Faculty with a demonstrated history of working in the education sector for over 11 years. Strong professional with Ph.D. in Finance, NET Qualified in Management and MBA degree in Finance.

The session was started at 12:15pm and was hosted by management student Ms. Arya S. In the workshop Dr. Swati gave a very good session on how to use excel for data analysis and apply PSPP package for analyzing the data and interpreting the result of the analysis in the project report.

The speaker guided the students on various topics of analysis and she was providing hands on experience for the students on the following topics:

- Conversion of data from questionnaire into excel sheet
- Introduction to PSPP platform

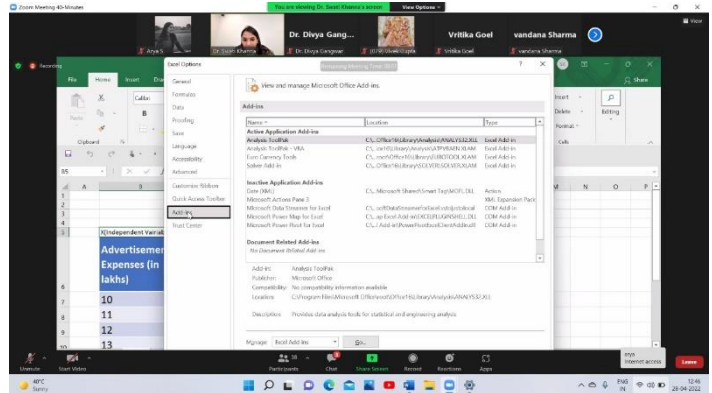

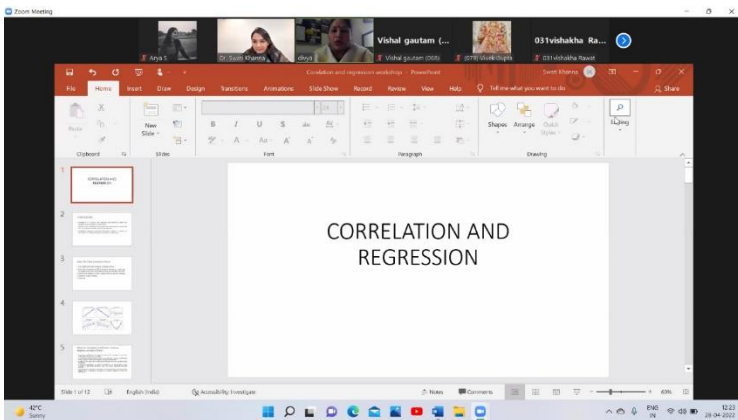

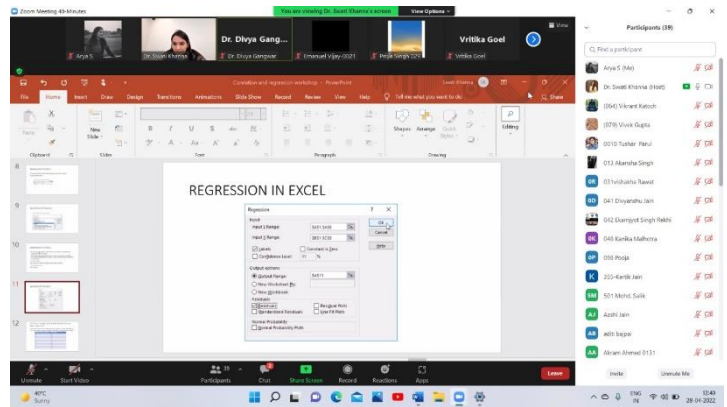

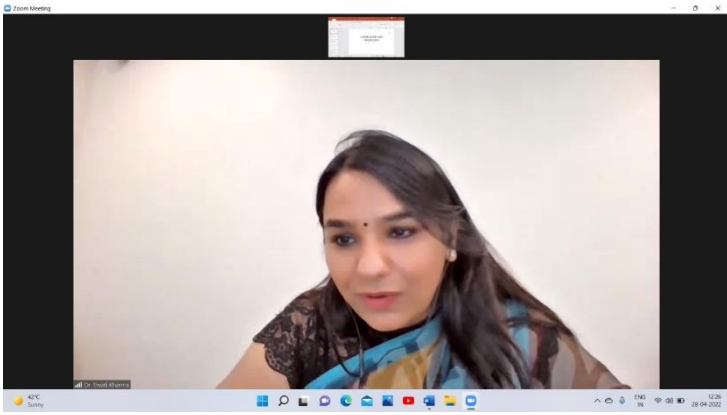

- Regression analysis & Correlation

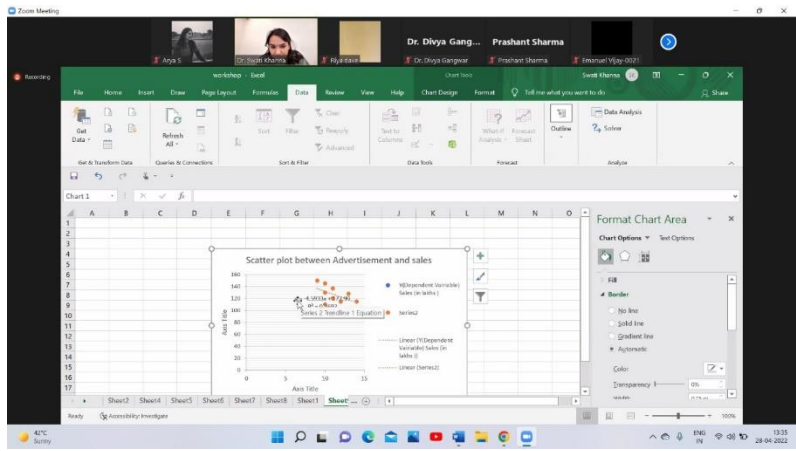

The session was quite useful to students for the preparation of their project report. The session came to an end by 2:00 p.m.

**Outcome:** The workshop was lively with lot of student's participation and interaction and doubt clearing sessions. It was a great learning session for the students of Department of Management Studies.

**Beneficiaries:** Students of MBA & BBA Department
