DEPARTMENT OF CIVIL ENGINEERING

## NEWSLETTER

JULY' 2022 – DECEMBER' 2022

### Institute Vision

*To produce globally competent and socially responsible technocrats and entrepreneurs who can develop innovative solutions to meet the challenges of the 21<sup>st</sup> century.*

### Institute Mission

- 1. To produce value-based education through multi-grade teaching methodologies and modern education facilities.*
- 2. To sustain an active partnership program with industry and other academic institutes to promote knowledge and resource sharing.*
- 3. To conduct value-added training programs to enhance employability.*
- 4. To provide a conducive environment for development of ethical and socially responsible technocrats, managers and entrepreneurs.*

### Department Vision

*To produce civil engineers equipped with excellent technical research and leadership skills for globally competent environment.*

### Department Mission

- M1. To impart quality education through veracity of academics and practical applications.*
- M2. To develop research attitude in students to solve civil engineering problems.*
- M3. To create a conducive environment that promote project based learning and industry based skillsets.*

### Program Educational Objectives (PEOs)

*PEO1: Graduate shall have strong fundamentals in Civil Engineering to deliver sustainable and economical solutions to real life problems.*

*PEO2: Graduate shall develop excellent communication, technical and leadership skills in interdisciplinary environment as team players and responsible citizen.*

*PEO3: Graduate shall, apart from excelling in Civil Engineering, exhibit high human values and professional competence.*

## CAD-O-MANIA Event

*Department of Civil engineering (NEEV official society of civil engineering department) organized the presents CAD-O-MANIA an Event to show your designing and drafting skill on 28th December 2022, All the students actively participated in the event. Every student participant has to draw a 2D plan of 250 sq. yard for 2BHK and maximum of 40 min has been given to them to draft the plan. All the students actively participated. All the winners were appreciated with certificates and rewarded with prizes.*
