Report on Technical Poster-Making Competition

Timings: 2:30-4:30 PM

Venue: Lab 4, IT Dept.

No of Participants: 25

Organized For: Second Year students of IT and AIML

According to the proposed plan **Department of AI&ML** organized a “Technical Poster making competition” which was held on Friday 30th September 2022. The Theme of the event was “*Kratrim Intelligence*”.

While exploiting the power of the computer systems, the curiosity of human, lead him to wonder, “*Can a machine think and behave like humans do?*” Thus, the development of AI started with the intention of creating similar intelligence in machines that we find and regard high in humans.

The objective of the competition is to explore and encourage creativity in students and offer them a platform to showcase their skills. It inspired them to be aware about and express their views and thoughts about Artificial in a creative manner. Almost 25 students from IT and AIML have participated in the event with full zeal and enthusiasm.

The final judgment was made by the

1. Ms. Esha Saxena (CSE Dept)

2. Dr. Tripti Mittal (ASH Dept)

The rubrics for judgment were: Originality, Clarity of expression, Uniqueness and Close to the Theme.
