Venue: ADGITM Ground

No of Teams: Kritim Dhi & Datazoic

Organized For: AI&ML (2ndYear) and AI&DS (2nd Year)

Event Co-Ordinator : Dr.Preety (Associate Professor, AI&ML)

*Report on One Day Cricket Match between *AI&ML [3rd SEM]* and *AI&DS* to get healthy and enjoy full environment by physical activity. The Event and Sports Committee of *Dr. Akhilesh Das Gupta Institute of Technology and Management* organized a Cricket match between the *AI&ML [3rd SEM]* and *AI&DS* students on 6th December 2022. This sports event boosted the morale of all the students in the ongoing stressful environment. It brought about the right team spirit. It was foresightedness on the part of Director sir to have conceived of an idea of Cricket Match as this sport could involve everyone and is almost known by all and hence everyone could enjoy this sports activity in the field . It created just the right informal setting, that provided all the students an ease to know each other more than their work interactions. The match started early morning 2:00 P.M. in the College premises with Teaching staff. There was enthusiastic participation of Datazoic team and they scored about 75 runs in 7 overs. 42 all out After a short while, Krithim Dhi team of the AI&ML department were on the field displaying their batting proficiency. They score 42 runs and all out after 6th over. Team DataZoic won match with 33 runs and one over . Nevertheless, there was cheering from both sides on the field as more than victory, participation gives satisfaction in such events. The players

were at their maximum enthusiasm when our Director sir and CEO sir got down in the field to face the ball. The day concluded with motivating words from Director sir and CEO sir vote of thanks from Event committee.
