Title: Trip to Bharat Darshan Park

Date: 18th November, 2022

Department: School of Business Studies

Venue: Bharat Darshan Park

Activities Undertaken: School of Business Studies of Dr. Akhilesh Das Gupta Institute of Technology & Management organized a field trip on 18th November 2022. The trip to Bharat darshan park was organized for the students of BBA first year. Total 54 students accompanied by 3 teachers became a part of this trip. The trip started from the college at 9:45 AM and reached the destination at 10:55 AM. In the Bharat Darshan Park, the students saw the wonderful use of waste materials. The students realized that the things we consider as waste and often discard them can be put into use and can create beautiful things which can be seen at the Bharat Darshan Park. In the Bharat darshan park the students saw the miniatures of many well-known monuments and temples like QutubMinar, Mahabat Palace, Badrinath temple, Rameshwaram temple etc. of India created from waste material. The waste material used in building these miniatures included cylinders, cycle pedals, cooking utensils, pipes, iron rods, rikshaw patti etc. It was an amazing and memorable experience for the students as well as for the teachers. The

trip ended with the arrival of the students in the college around 2 PM.

Beneficiaries: First year Students of BBA Department

Outcome: It was an amazing session where students learned about monuments and how waste can be helpful.
