REPORT

“Industrial Visit to Coding Blocks”

Date of Event: 06th October 2023 (11:00 AM - 02:00 PM)

Venue: Coding Blocks, Sector-15, Noida Uttar Pradesh

Objectives: It gives first-hand experience of the work atmosphere in an industry.

Activities: Visit to Coding Block

Key Takeaways:

The department of Computer Science & Engineering arranged one day Industrial Visit for 5th Semester students to “**Coding Blocks**” dates 6th Oct 2023 for the better technical knowledge enhancement of students. Industrial visits are an integral part of Engineering and acknowledgement of technology upgrades. The purpose of industrial visits for students is to provide technical knowledge with the technological development in the industry and to understand the gap between theoretical and practical knowledge that could be passed in future.

This experience can help students to provide information regarding the functioning of various industries and associated problems and limitations.

Outcomes: 78 students registered for the Industrial Visit and 57 students went for the visit along with 2 faculties.

Beneficiaries: CSE Students
